It has been learned that [redacted]

[redacted] attended a meeting on this date
of the "American Nationalist" movement.

[redacted]
[redacted] Saturday night meetings
of the group at 10194 Coalinga in Montclair
California 91763. The meeting was set for
7pm. 10194 Coalinga is a modest private

[redacted] arrived at 7pm but it was
almost 8:30pm before the meeting commenced.
About [redacted] people were present. It appears

[redacted] and [redacted] and perhaps
several others share the home and rental.
They prefer to call the home, "troop 9
headquarters". Both a representative of

"tax strike" and [redacted] of the American
Freedom party plus [redacted] were suppose
to speak during the meeting but none were

present. Hale McGee did not appear until nearly
9pm. When [redacted]

made the statement that he had tried to secure

but it appeared to [redacted]

[redacted] When the meeting
finally got under way after 8:30pm, [redacted]
spoke for about five minutes stating that soon
the group would be in full operation. He said
nothing about the size of the group or aims. He
did state the group had a farm in Ontario. Again
it was stated that funds were not a problem or
needed. After this brief talk they started to show
an old Joe E. Brown film produced in the late 1930s.

It would appear that they feel that this type of "entertainment" will attract people to their meetings in the future. They are renting the material from a downtown outlet. MR. PERFECT

Through all the muck and corruption of the Watergate scandal, the only major member of Richard M. Nixon's political entourage not to be touched has been our new Secretary of State Henry Kissinger.

He has emerged smelling like a rose to the extent that a gossip columnist was recently asked if there is anything at all wrong with the man. The only thing the valiant journalist could come up with is that Henry K. bites his nails.

Either this columnist is lying, or he just didn't research like he should have. That is, unless he thinks that treason doesn't even rank as a vice.

Kissinger and North Vietnamese diplomat Le Duc Tho are the latest winners of the Nobel Peace Prize. Tho refused his. But Henry wasted no time in cashing his check.

Article I, Section 9 of the Constitution reads: "... no person holding any office under them, shall, without the consent of the Congress, accept any present, emolument, office, or title of any kind whatsoever from any king, prince, or foreign state.

The Nobel Prize is a cash gift from a foreign state.

But then again, what's a little treason when the man has to suffer with such a horrible nail biting problem?

The Jews have gotten us all in a fine mess!"- Cicero

Soon, they were amazing native Americans with their knowledge of what the country was all about. They said the founding fathers were talking about democracy when they drew up the Constitution, and that the Declaration of Independence says that all men, regardless of race, are equal.

The aliens pounded that notion into our heads so thoroughly that soon there was no argument. And it was considered unpatriotic to dispute the statements they made. At least it did in the minds of our intellectuals who write our books, and form "national opinion." But there have always been a few million stubborn die hards who are so out of touch with reality that they get up in the morning to go to work, and raise a family, to whom the idea of equality just seems to go against the grain, and to whom "democracy" has a very vague meaning.

He has heard somewhere that it means the rule of the people. But he's too busy making a living to consider each issue which will affect him and make a responsible decision on it. That's why he elected his senator and congressman, men who are supposed to be looking after his welfare.

AND....

Chances are that if you are reading this, you are more than familiar with this story. You know the identity of the "alien" as the Jew. You know that the founding fathers had not the slightest notion that this country should be run by every idiot who can scratch his name on paper.

And you've tried doing something about it. Yet the country is no better off for your efforts, but actually worse.

Something has always made success impossible, whether it was government harassment, stupid leadership, or lack of a practicle program.

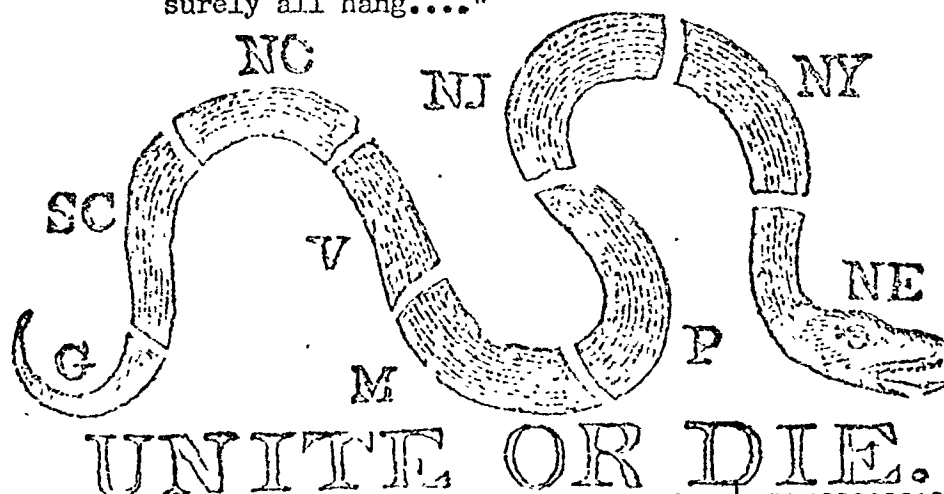

One of the basic problems of such groups is their lack of prospective as to what their job is. They think they can beat the world with one organization tailored to one type of person. There must be oneness of will. But it takes many kinds of people to build a movement of historical signifigance.

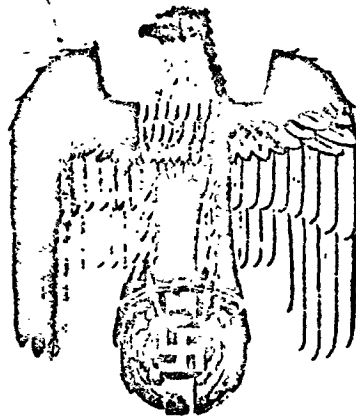

The American Nationalists realize this. We see ourselves in our true capacity as a defense forces for a union of right wing causes under the banner of the American Freedom Party.

The AN acts as political muscle for other organizations to make headway in the struggle. And it demands respect from all in the same way that a shotgun does: "Get out of my way, or I'll blow you down!"

Its members have to be ones who will not cover in the streets. Because we aim to take the streets for our own. "Flashback" is only a minor part of the AN program, which is basically action oriented. We only get loyalty from people one way-through results!

"If we do not all hang together, then we will surely all hang...."

OUR USE OF THE SWASTIKA

In our fight we need all the allies we can get. In the past the right has made enemies of all non-white peoples, not realizing that many of them want the same thing we do. Today there are thousands of black and Mexican nationalists who want no part of this country, and are trying to convince their co-racialists to leave this white man's land. Since that is one of our goals, there is no reason that we cannot work seperately for the same ends.

Since World War II the Swastika has acted as a drawing card for those young rebels not afraid to stand by the most hated symbol in history. For this reason the American Nationalists (white), Black Nationalists, Mexican Nationalists, and Oriental Nationalists use the "hooked cross" as a recruiting symbol for their young fighters. To us the four arms of the Swastika represent the four main racial groups in the country.

Enquiries sent to this address will be forwarded to the respective group.

PEOPLE OF WORLD, UNITE AGAINST THE ANTI-CHRIST!

MONEY TALKS

by

Leon R. Powell

In reviewing several books on money and credit, I find that our money system is the chief cause of wars and depressions. The international bankers have caused wars and depressions since the founding of the Bank of England in 1694.

The House of Rothschild came into being prior to the Revolution. Meyer Amschel Rothschild supplied England with men to fight its wars. In 1787, for example, he supplied England 12,000 men and received in payment 80,000 pounds sterling.

Meyer Amschel, who took on the name Rothschild, had five sons who became captains of finance in all the nations of Europe. There is much evidence to the effect that the House of Rothschild has caused our wars and depressions since 1764 when they had the English Parliament pass a law which prevented the people in America from issuing their own money.

Proper monetary reform would bring peace to the world and stop depressions. Proper monetary control coupled with control of all monopolies (including those of labor and government) would stop inflation. The key to getting rid of the United Nations and the key to getting rid of the Income Tax is proper monetary reform.

The banks loan money that does not exist. The Federal Reserve Act is the biggest fraud in the history of the United States.

MONEY TALKS

(continued)

When a person gets a loan of \$1,000, the bank credits him with \$1,000 on the books and his collateral becomes the asset of the bank. In 1927 there was on deposit in the banks of the United States \$51,000,000,000 while the total gold and silver in circulation in the United States at the same date was only \$8,500,000,000. When the United States sells bonds to a bank, the bank credits the government with the sale of the bonds on the books. That puts into circulation the amount of money involved. If the bank needs \$1,000 currency it sends \$1,000 worth of bonds to the Federal Reserve Bank. The Federal Reserve Bank puts this up as collateral for the government issues of \$1,000 in Federal Reserve notes. The Federal Reserve still draws interest in the bonds. According to the Institute of Monetary Research, at the end of 1971 there was \$572 billion in total (deposits and currency) and only \$51 billion of this was currency in the form of Federal Reserve Notes. The Bonds which supported this currency was bought with bank credits.

The people of the United States should be fully informed as to the real cause of wars, depressions and inflation. We must form study groups to obtain full knowledge of the situation.

There are three books which should be in every home. They are: Money Creators by Gertrude M. Coogan; The Legalized Crime in Banking by Silas W. Adams; and Mankind's Greatest Step - a New Monetary System by Charles S. Norburn and Russell L. Norburn. These are available from the Controversial Bookstore: Box 817, Claremont, Calif. 91711

PRESENTATION OF AMERICAN NATIONALIST GOALS:

I

We must return to the original form of our CONSTITUTIONAL REPUBLIC, forsaking the present alien form of government known as a DEMOCRACY. This will necessitate in voiding all but the most essential Amendments.

II

We must build a new Social Idea based on Individual RACIAL VALUES. With each race responsible for the conduct of their own people.

III

We must have Honest responsible Leaders who will willingly represent the PEOPLE of their respective race, and the interest of the PEOPLE and not their own.

IV

We must turn our peoples away from materialism and inspire them with individual Racial pride and faith in our Constitution (unrevised).

V

We must encourage genuine cultural endeavor and ruthlessly stamp out the degeneracy that passes for art & music today.

VI

We must do everything in our power to protect nature's gifts to America, which must include all forms of pollution control.

VII

We must, at all cost, stop drug abuse in our Nation. There is no punishment too severe for those who buy, sell or furnish drugs that destroy our youth and eventually our Nation.

VIII

The American Nationalist believes in LIMITED Socialism, that being: a. Free medical care for the citizen, b. Government sponsored transportation, c. Insured housing for the elderly with every basic necessity fulfilled, 3. Voidance of the major tax burden placed on the American people unnecessarily.

IX

We must make it our most sacred task to ensure the betterment of our people.

AMERICAN NATIONALIST

P. O. Box 817
Claremont, Calif. 91711

THE AMERICAN NATIONALIST

All members and associates of the American Nationalists are first and foremost Christian Americans who believe in the Constitutional Republic as set forth by our founding fathers. We are dedicated to the defense of that document, and the people and land it represents. We do, however, believe that after the first ten (the Bill of Rights), there are some amendments which have proven detrimental to the welfare of the people, and that these amendments should be removed.

Our duties as American Nationalists are varied, and of utmost importance to the safety of our people, and the reclamation of our nation, and the survival of true Christianity itself.

We intend to fulfill our duties, and defeat our enemies. Those who are with us in body and/or spirit are welcome. Those who are anti-Christ are of no use to us, and are advised to start looking for a new home.

We were once a happy and proud land of Christians whose military might and wealth were second to none on earth. Now it is apparent to most of the world that we are militarily and psychologically inferior to Communist Russia, and that we have financially gone down the tubes because there is no gold to back up the worthless wood pulp the government laughingly calls "money."

As American Nationalists we will correct this illness and misery which has befallen us. We intend to restore our national pride, demand payment of all outstanding debts owed to this country, and return the United States of America to its rightful place in the world — as number one!

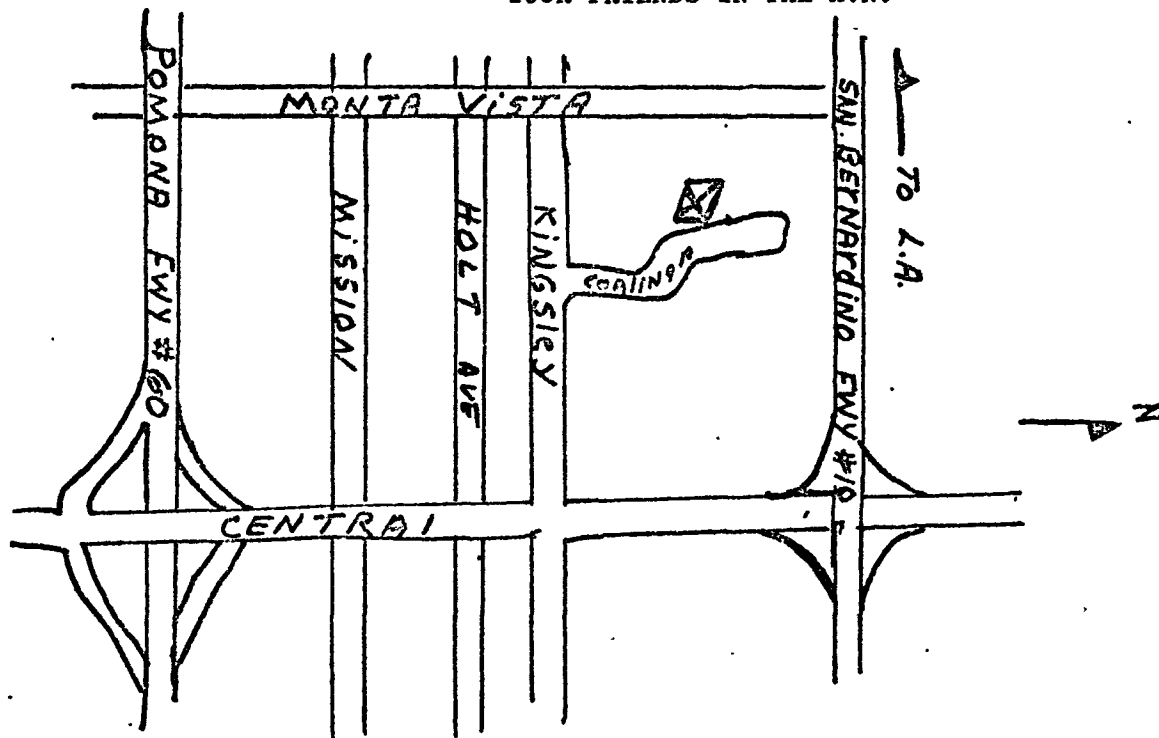

FELLOW AMERICANS!

YOU ARE INVITED TO A MEETING OF THE SOUTHERN CALIFORNIA "AMERICAN NATIONALIST" THIS SATURDAY AT SEVEN P.M. (Mar. 9, 1974); MEETINGS ARE HELD EACH SATURDAY EVENING AT THE TROOP-9 STAFF QUARTERS LOCATED AT 10194 COALINGA, MONTCLAIR, CAL.

The group is headed by JOHN HALE MC GEE, formerly of the National Socialist White People's Party (NSWPP). the mailing address for the AFP is Post Office Box 817, Claremont, California, 91711. Also in the group are [REDACTED] from [REDACTED] (FNU) [REDACTED] and (FNU) [REDACTED] both formerly of the NSWPP who left the NSWPP in the third week of April this year with [REDACTED] to join MC GEE. Another individual affiliated with the AN is [REDACTED] apparently an "angel" for the organization who owns a ranch in the [REDACTED] California, area.

An individual by the name of [REDACTED] who was formerly associated with the NSWPP, has been persuaded to join the AN by MC GEE. [REDACTED] stepfather, name not mentioned, an employee of the Pollution Control Board in Montebello, recently purchased a copy of the film "Triumph of the Will" for \$400 and is also considered an "angel" for the MC GEE group.

The AN also puts out a publication entitled "Troop 9 Flashback".

The following vehicles, with the below listed license plates, were observed at AN Headquarters, Claremont, California:

[redacted] (FNU) [redacted] and (FNU) [redacted] currently reside at the AN Headquarters.

Indications are that one of MC GEE's goals is to take over the "State of Nevada", which he believes can be done and, in addition, upon completion of same, MCGEE has promised those who help him a casino. MC GEE reportedly is also involved in training on a para-military basis and indications are that he is in possession of legal weapons and explosives.

RESUME FOR THE LAST TWELVE NAMES: PERSONS I.D. AS ATTENDING MEETINGS OF THE "AMERICAN NATIONALIST" ORGANIZATION HELD IN MONTCLAIR.

THE "JEWISH DEFENSE LEAGUE" RECEIVED A LETTER FROM AN ANONYMOUS SENDER REFERRING TO NAZI SCUM HOLDING MEETINGS AT AN ADDRESS IN MONTCLAIR.

INVESTIGATION OF THE ABOVE INFO REVEALED THAT THERE WERE MEETINGS BEING HELD AT THIS ADDRESS AND THOSE ATTENDING FOR THE MOST PART ARE KNOWN RIGHTWING RADICALS WHO HAVE BEEN ASSOCIATED WITH SUCH GROUPS AS THE NSWAP, MOLE. + NEEF. SOME ARE KNOWN TO HAVE LEFT THESE OTHER ORGANIZATIONS BECAUSE THEY FELT THEY WERE NOT MILITANT ENOUGH OR DOING ENOUGH TOWARDS BRINGING ABOUT SOCIAL CHANGE.

THE EMBLEM FOR THIS ORGANIZATION RESEMBLES THAT OF THE EMBLEM WORN ON THE UNIFORM OF GERMAN "SS" TROOPS DURING WORLD WAR II WITH ITS EAGLE HOLDING A SWASTIKA. ITS NINE POINT SET OF GOALS RESEMBLES THE POINTS STRESSED BY THE OLD AMERICAN NAZI PARTY UPDATED TO FIT TODAY'S SOCIAL CLIMATE.

THE ORGANIZATION CONTACTED A JAMES BARRACKA, CANDIDATE FOR THE 35TH DISTRICT CONGRESSIONAL SEAT, AND INVITED HIM TO ONE OF THEIR MEETINGS, AT WHICH TIME HE WAS PROMISED FINANCIAL ASSISTANCE IF HE WOULD GO ALONG WITH THEIR SET OF GOALS AND WOULD SIGN A PLEDGE TO THIS EFFECT. HE REFUSED AND NO MORE INVITATIONS OR INDUCEMENTS (FINANCIAL AID) HAS BEEN FORTHCOMING FROM THE ORGANIZATION.

THERE ARE NO KNOWN REGULAR MTG. TIMES OR DATES. SEVERAL HAVE BEEN HELD ON WEDNESDAY NIGHTS WHICH IS INDICATION ONLY. C- ATTACHMENTS 1, 2, 3, & 4 FOR FURTHER DETAILS.

I. JURISDICTIONAL BASIS FOR INVESTIGATION

This investigation is based on information which indicates the American Nationalist (AN) is engaged in activities which could involve a violation of Title 18, United States Code, Section 245 (b) (3), Chapter 102, 2101-2102 and Chapter 12, 231-233 (Antiriot Laws) or 241 (Civil Rights Act of 1968).

American Nationalist (AN) uses P.O. Box 817, Claremont, California, as a mailing address. AN supports separation of races and belief in Christianity. It claims to "trust in our constitutional republic and absolute dedication to our nation and people". AN is opposed to "governmental control of any other American group or publication and foreign wars having no basis of interest for the American people." AN is against "people known as anti-Christ and all forms of busing or other forms of governmental integration." AN is opposed to Communism, drugs, unjust taxation, bank interest rates, and government corruption. AN is attempting to organize along paramilitary lines. Members are known to possess weapons and incendiary devices. Member duties include participation in street demonstrations. Activities have been centered in the greater Los Angeles area. AN was formed in the latter part of 1973.

III. AMERICAN NATIONALIST - STANDARD OPERATION PROCEDURE MANUAL

Among the literature located at [REDACTED] was the following manual of the American Nationalist, entitled, "Standard Operation Procedure Manual", which is set forth on the following ten pages:

b7C

STANDARD OPERATION PROCEDURE MANUAL

Not all circumstances one may come accross could possibly be listed in any SOP. However, this manual is intended as a basic guide and not necessarily to be followed one word for another. Our intent is rather to give a general view of desired operating instructions and will of necessity rely heavily upon the individual Troop Leaders and the District Divisional Commanders sense of Duty, Common Sense, and instructions to cover any particular situation until a true SOP manual can be developed.

Where practical the basic instructions as written will be implemented unless otherwise authorized by the DDC.

National Crime Information Center (NCIC) checks were negative on the weapons listed in the attached LHM.

Sergeant [redacted] Military Police, Santa Ana, California, was advised of the deserter status of [redacted] on 5/24/74, by SA EDWARD A. ROMANOFF and a military hold was placed.

The Special Agents of the FBI mentioned in the attached LHM are SAS FRANCIS G. KAHL and EDWARD A. ROMANOFF.

For information of the Bureau and receiving offices, it appears that the American Nationalist (AN) and American Freedom Party (AFP) are attempting to proselytize current or former members of the National Socialist White Peoples Party (NSWPP). Since receiving offices all have

b7C

IA 157-9799

some type of NSWPP activity, past or present, it can be assumed that AN or AFP personnel will make contacts with individuals involved in NSWPP activity.

On 6/4/74, Sergeant [REDACTED] Montclair, California Police Department, advised that the individuals mentioned in the attached LHM formerly resided at 10194 Coalinger, Montclair, California. Within the past two months there had been several police reports of disturbances at this location involving residents of this address and individuals connected with the NSWPP at El Monte, California, apparently as a result of the proselytizing efforts of the AN.

b7C

It appears that the AN and the American Security Association mentioned in the attached LHM have barely progressed past the planning stages since the material located at Ontario, California, fails to indicate any type of large scale operation.

LEADS

Receiving offices are requested to review material in the attached LHM, evaluate it with information which may already be in your possession and conduct appropriate investigation where indicated.

LOS ANGELES

AT CLAREMONT, EL MONTE, SANTA MONICA, INGLEWOOD AND SANTA ANA, CALIFORNIA: Will contact logical sources and informants to verify the existence and activities of Troop 9, 10, 11, 12 and 13.

- IMPORTANT NOTICE -

To all supporters of the NATIONAL SOCIALIST LIBERATION FRONT;

The Liberation Front Underground wishes to extend it's sincerist apology to all NSLF supporters who attended the March 2, 1974, organizational meeting. At that time plans were laid down as to the establishing of the NSLF as a viable political force in Southern California by first obtaining proper facilities.

Because we were to meet with Commander Koehl of the NSWPP who wanted to try to work something out in the hopes of getting most of us back into the NSWPP there was a delay in organizational activity for the NSLF for over three months. The reason for such a "long" delay was because every time we were to meet with the Commander we were stalled even further with claims that he would meet with us "next week". This went on for over three months until we stated we were no longer going to wait. We further went on to state we would now go to court to obtain the \$150.00 owed to us by the Party and we would proceed with the necessary organizational plans to establish NSLF.

A day later we met with the Commander and Mr. Ward!

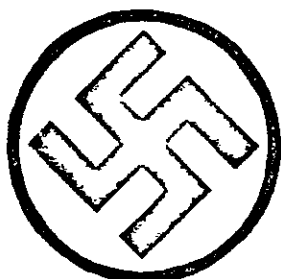

The meeting proved futile. We agreed to do everything except join the Stormtroop section of the Party because this meant having to take orders from those scoundrels who stabed us in the back and brought us to this point of abandoning the mass strategy. The Commander wouldn't hear of it. We would have to submit ourselves to this belly crawling, this oppression. We refused!

On Sat., July 27, 1974, the staff of the National Socialist Liberation Front completed arrangements for a completely modern bookstore and office facility. We now have one of the most professional political outlets in California. This new facility far surpasses the Peck Rd. HQ.

This Sat. August 3, 1974 we will hold a private, "semi-official opening" meeting. It is very important you attend the meeting at the new facility located at 11101 Garvey Ave, El Monte at 4:P.M. - Go South on Peck to Garvey. Turn right on Garvey 500 feet to the facility.

Introduction to the National Socialist Liberation Front

The National Socialist Liberation Front

As an alternative to the lack of any pure education on the National Socialist World View to members of the National Socialist Community, we have established the National Socialist Liberation Front

The primary purpose of the N.S.L.F. is to fill in this void by educating a select group of white persons *already committed* to the National Socialist World View in the hopes that they will gain a better understanding of Adolf Hitler's National Socialism in relation to today's contemporary political situation

Not being a part of a "mass Movement" organization and not attempting to build a mass movement will allow us to put forth our efforts only to those we feel will benefit from our teachings. This is necessary in so much as it will give us a higher quality of person with which to work with. It will be from those people from which we will choose who we wish to join us in taking up arms in a guerilla war that will surely have to be waged against the system and certain other enemies of the National Socialist Revolution. We will choose those who will associate with us. This organization is NOT open to "anyone". We are clandestine National Socialist guerillas. We realize what is wrong in America and we realize what has to be done. But first we must learn all there is to learn about ourselves and our enemies. Without this knowledge all attempts at waging war shall end in our defeat.

N.S.L.F. Program

Members of the N.S.L.F. tend to be the more radical and better educated among those involved in the National Socialist Movement

Because of the nature of those in N.S.L.F. there is no need to fill illusions of governmental takeovers and world domination. The primary theme of thought in N.S.L.F. is to face the many political realities in America and analyze them. Our conclusions will determine our strategy and tactics

N.S.L.F. has four primary purposes -

1. The maintenance of a political book store dealing primarily in National Socialist thought
2. Militant radical workshops and the training of a cadre of dedicated, well educated National Socialist revolutionaries will be the end product of an intensive program by which ALL members will gain a thorough understanding of what National Socialism means and how best to serve the National Socialist Movement through the vehicle of the National Socialist Liberation Front. Radical, militant "street action" aimed at bringing the system and it's bosses to their "knees" is the final goal. This policy of confrontation politics will be achieved by *any means necessary*
3. The maintenance of a "Radical Hot Line" telephone message service.
4. The dissemination of our propaganda

The N.S.L.F. will grow but that growth must be based on facing the political realities of today. We must allow our growth to be *organic* and must not view our lack of growth as a setback but rather a *primary and necessary tactic for such a unique effort as ours*. We must strive for quality, not the masses of idiots which would only drag us down into insignificance

THE CRACK OF GUNFIRE IS THE ONLY REALITY THE MASSES CARE TO PAY ANY ATTENTION TO. THE REVOLUTION BELONGS ONLY TO THOSE WHO ARE PREPARED TO SUFFER THE CONSEQUENCES OF DISRUPTING THE SILENCE OF DARKNESS. WE MUST PREPARE TO SEIZE THE TIME.

Participation in the activities of the National Socialist Liberation Front is limited only to members of the N.S.L.F.

In order to become a member of the National Socialist Liberation Front one must fill out completely, a membership application. All questions must be answered in detail. The individual, in addition to the membership application form, must also sign the statement we will provide swearing they are not members of a government agency attempting to infiltrate the N.S.L.F. and that their interest in joining the organization is to purely advance the cause of Adolf Hitler's National Socialism and that their interest is not to do harm to N.S.L.F. or its members. They must understand that to sign such a statement knowing that their intentions are against the interests of N.S.L.F. will constitute breach of contract and will allow us to take legal action against such individuals. Membership is further restricted to members of the non-Jewish, white race. Each applicant and each member is subject to an intense investigation to insure the goodness of their intentions in the minds of the N.S.L.F. leadership. The leadership will be the sole deciding factor on who will be allowed membership in N.S.L.F. The National Socialist Liberation Front leadership will also decide who will be expelled and for what reason. The leadership will also be the only ones to decide what the *activities* of the organization will consist of.

A membership application fee of \$5.00 will be required with a minimum monthly pledge of \$5.00 or more. The money is used to maintain the facilities of N.S.L.F. and to finance its activities and publish our propaganda.

A member of the N.S.L.F. is entitled to attend and participate in our weekly radical forums. Members will also receive the bi-monthly internal bulletin of the N.S.L.F., "SEIGE!"

Review of Springfield file reflects that contact has been maintained with appropriate extremist sources within the Springfield Division in an effort to determine whether any of the membership of the National Socialist White Peoples Party (NSWPP) had been contacted by personnel from the American Nationalists (AN) or the American Freedom Party (AFP) in an effort to convert these members to the beliefs of the AN or AFP. To date no positive information regarding any such activities within this division have been developed.

Review of Springfield file 157-76 captioned "National Socialist White Peoples Party (NSWPP), EM - NSWPP" reflects that Post Office Box 3070, Peoria, Illinois, is subscribed to by the NSWPP and is maintained by the Peoria, Illinois unit leader, [REDACTED]. It is further determined that Post Office Box 1962, Fairview Heights, Illinois, is subscribed to by the NSWPP and that that post office box is maintained by party leader [REDACTED]. Both [REDACTED] are subjects of Springfield extremist files.

This investigation is based on information which indicates the American Nationalist (AN) is engaged in activities which could involve a violation of Title 18, United States Code, Section 245 (b) (3), Chapter 102, 2101-2102 and Chapter 12, 231-233 (Anti-riot Laws) or 241 (Civil Rights Act of 1968).

American Nationalist uses Post Office Box 817, Claremont, California, as a mailing address. AN supports separation of races and belief in Christianity. It claims to "trust in our Constitutional republic and absolute dedication to our nation and people". AN is opposed to "governmental control of any other American group or publication and foreign wars having no basis of interest for the American People". AN is against "people known as anti-Christ and all forms of busing or other forms of governmental integration." AN is opposed to Communism, drugs, unjust taxation, bank interest rates, and governmental corruption. AN is attempting to organize along paramilitary lines. Members are known to possess weapons and incendiary devices. Member duties include participation in street demonstrations. Activities have been centered in the greater Los Angeles area. The AN was formed in the latter part of 1973.

The Source described Mc Gee as a paranoid, who is mentally ill. Mc Gee, according to the Source, claims to see spirits and says he is the son of God. Source advised that Mc Gee maintains four framed certificates of ordination obtained through the mails from churches of questionable religious validity. Two of the certificates of ordination were issued in August and September 1972 ordaining Mc Gee as a minister.

Source advised that Mc Gee's residence, located at 671 East Arrow Highway, Claremont, California, usually has approximately a half dozen young men living on the property who are supposed members of the AN.
